B F#/A# D#m C#  
Through lows and through highs, day and night, I want you by my side  
D#m C# G#m F#  
Oh just you and I in this marvelous life

## Reintro

## Verse 2

I went into the earth, out of breath, out of time  
And I saw death and dirt, my end was in sight  
Til I heard you sing like the tide, like a mist in the desert sky  
Oh you always remind that's it's a marvelous life

## Chorus

D#m C# B F#/A#  
There's pain and there's strife. There's love and there's light.  
D#m C# G#m F#  
Is it a roll of the dice? Is it God in disguise?  
D#m C# B F#/A#  
It's a steep hill to climb. Will we ever arrive?  
D#m C# G#m F#  
Oh the joy and the fright of this marvelous life
